- If you cannot afford the fees listed on our Fee Schedule, please discuss your case with the Mediation Director. Quabbin Mediation is committed to ensuring that our mediation services are accessible to everyone who seeks them.
- Our fees are per session, not per hour. The mediation fee is per person, based on individual or household gross income. A mediation session typically lasts 2 hours. QM's Fee Schedule includes administrative costs related to the mediation.
- Mediation fees are determined by QM staff at the time of the initial intake interview. Payment is made at the beginning of a mediation session.
- In District Court cases, the Fee Schedule is waived, in accordance with District Court policy for referrals to court-approved mediation programs.
- Please note that for any cancellation with notice given less than 1 business day (24 hours) in advance, payment of the full fee is required.
